

# 2010 ProLife Signature-Ad PETITION

A petition to all US lawmakers and jurists; sponsored by: The Kansas Coalition for Life, Inc.

## Abortion is NOT health-care!

Abortion always takes the life of an unborn child, and almost always damages the mother, physically, emotionally, or both.

It is scientifically proven that women who have had abortions, suffer an increase in problems with subsequent pregnancies, have low birth-weight babies, and have an increase in miscarriages, sterility, and suicide rates, all directly caused by abortion. In addition, a majority of studies show that abortion increases a woman's risk of breast cancer.

Abortion is irreversible, and every aspect of abortion is detrimental to the health and well-being of women and babies.

Therefore, we the undersigned insist that those in public office, or in any position of power and influence, steadfastly oppose any legislation, which links abortion to health-care.

## THIS SIGNATURE-AD PETITION SERVES FIVE DISTINCT PURPOSES:

1. It educates the public about current proLife issues and it increases public awareness.
2. It brings new people into the proLife movement, which is essential to our success.
3. It is an excellent legislative information tool ...the best proLife political tool currently going! We will use this petition repeatedly, along with your name and the names of thousands of other signers, during procedural votes in the legislative process to sway legislation in our favor, and we will do so in a timely manner. Timing is everything in the legislative process. Some pivotal legislative procedural votes happen with only a day, or even a few hours notice! With your signature already in the system, we are able to target key Senators and Representatives in key committees, using your signature, with thousands of others, all at the **most opportune time** in the legislative process.
4. In addition to elected office holders, this petition informs judges, justices, and potential office holders at all levels of government, that the proLife issue is important to us.
5. Sometimes it raises money for The Kansas Coalition for Life, Inc. to cover the expenses incurred in the promotion and publication of the signatures.

## IT IS ENTIRELY WITHIN CURRENT FEDERAL LAW, FOR ANYONE TO DISTRIBUTE THIS SIGN-UP SHEET IN CHURCHES, OR IN ANY PLACE OF YOUR CHOOSING.

## ARE YOU WILLING TO VOLUNTEER?

ProLife candidates routinely request our help in recruiting local volunteers for their campaigns. We accommodate such requests, but only from genuinely proLife candidates. In addition, we have added two features to our on-line display at [www.AbortionsIsNotHealthCare.com](http://www.AbortionsIsNotHealthCare.com), i.e., the "Show Only This City" and the "Show Only This State" function, all in the interest of helping the proLife movement nationwide. There is an urgent need for proLife citizens to concentrate more on the political aspects of the proLife movement, while at the same time, continuing the on-site counseling work at abortion facilities in your area.
