## **ABORTION CAN NEVER, EVER, BE REVERSED!**

**The person who handed this leaflet to you, is an unpaid volunteer who may have experienced abortion in some way, and is here to try to save you from making the same tragic mistake! (If it was a man, he may have paid for an abortion, or forced someone to have an abortion, and now regrets what he did.) ...Not all, but many!**

**There are two victims to every abortion: A dead child, and an emotionally injured mother ...usually injured for life!**

*We know that you would not be here, if you did NOT have a good reason to be here. However, no matter what the problem(s) ...even alleged fetal deformities, rape, incest, or alleged dangers to your health; we have a better solution than the violent act of abortion!*

*YOU OWE IT TO YOUR SELF TO LOOK AT WHAT WE HAVE TO OFFER – All free of charge! If you do not like what we provide, you can always change your mind; but, after you choose abortion - your fate is sealed!*
